Great Importance
Demanding Attention.Washington, March 7.—The first
meeting of the new adminis-
tration will take place tomorrow
morning, The White House, today,
issued a call for the initial session
at 11 a. m.A promise given by President
Harding, during the campaign, that
he would provide a place
in the cabinet for the vice presi-
dent, was fulfilled.President Coolidge received
invitation along with the regular
members.A new president undertook a
tough day's activities, today. Mr.
Harding was at his desk in the ex-
ecutive offices before 8:30 a. m.,
and a huge mass of correspond-ers of State Charles E.
Hughes broke in on the president's
work and the two conferred
for some time on the Panama-
Costa Rica situation. No reply has
yet been received to the note which
Mr. Hughes dispatched. Sat-
urday morning the belligerents that
must cease hostilities im-mediately. The president's
long line of senators and repre-
sentatives filed through the presi-
dential offices during the forenoon,
for conferences. Some came to
recommendations on appoint-
ment and legislation, others merely
to register their respects.Senator George Chamberlain
of Oregon, Democrat, was the
first to call on the president's list.
Chamberlain has been in-
formed that he can become a mem-
ber of the new cabinet and
believed that his nomination
would be sent to the senate in the near
future.Democrats as well as Republicans
conferred with the new
cabinet today. Among his for-
mer cabinet members were Senator Oscar
Underwood, of Alabama, minority lead-
er in the senate, and Senators Kirby
Johnson, of Arkansas. They
over the congressional situa-tion recommended that the spec-
ulation of the new sixty-seventh
congress not be called for four weeks.
President Harding agreed with
that a few weeks' rest was ad-
visable. April 1 seemed to be a date
agreeable to all concerned,
and it has not been definitely
settled.Meets Senators.
President also saw the sena-
tors from his own state of Ohio—
who succeeded him, and Pom-
eroy. It is understood
made recommendations concern-
ing appointments.Executive offices were crowd-
ed throughout the forenoon with
senators and representatives who
had appointments with the
president, or wanted them.A found difficulty in making
way through the throng, at
Attaches left over from the
previous administration. The
senators said more people had
come through the executive offices,
perhaps, than had in a week
in the last year and a half of the
previous administration.Secretary of War Weeks, also,
had a conference with the war de-
partment. The president and Mrs.
Harding were back at luncheon to
some members of the Republi-
can executive committee. Tonight
the White House will see the first
dinner function in nearly two
years, when the president and Mrs.
Harding will entertain a large group of
Republican leaders in congress.Mr. Leonard Wood,
has been offered the governor-
ship of the Philippine islands.
Mr. Wood, today, He will
be in the forenoon, and in all
probability will be the president.
The question whether he can take the
office is still unsettled.The Senate Action.
March 7.—Arrangements
for the session of the senate this
week on the treaty were made
by the senate leaders. Minor treat-

to be in conference with
senators on the treaty.CAVALRY TO MOVE

Roosevelt to be assistant secretary
of the navy and E. D. Ball to be
assistant secretary of agriculture,
were not confirmed by the senate, as
no roll had been taken on these
nominations. They were referred to
the naval and agriculture commit-
tees, respectively.Special Session.
Washington, March 7.—President
Harding will decide upon the date
of the special session of congress
before tomorrow, he today informed
Senator Underwood, of Alabama,
minority leader of the senate.Senator Underwood told the presi-
dent that he felt the new con-
gress would make more rapid pro-
gress if given a few weeks' rest. While
the president had not yet set the
date, Senator Underwood said he be-
lieved the special session would not
be called until early in April.Asks for Supplies.
Paris, March 7.—The Russian re-
fugees' organization in Paris sent a
cablegram to President Harding, Sec-
retary of State Hughes and Secretary
Hoover this afternoon, asking that
urgent measures be taken to furnish
supplies to the Kronstadt insurgents
who are fighting the Bolsheviks at
Petrograd.Silent in Matter.
Washington, March 7.—Secretary
of State Hughes today refused to dis-
cuss the possible attitude of the
United States towards the insurgents
who are fighting the Bolsheviks in

tration and its policies—may be passed
upon, today, by the senate and the
senate foreign relations committee.Senator Henry Cabot Lodge, of
Massachusetts, Republican leader of
the senate, and chairman of the for-
eign relations committee, indicated
that he expected a list of domina-
tions for diplomatic and consular
posts to be submitted by President
Harding for immediate action.It is said, today, to be the presi-
dent's desire to have the reorganiza-
tion of the American diplomatic
corps effected as speedily as possible.
A meeting of the foreign relations
committee, today, will be the first
under a Republican administration
in eight years. Close cooperation be-
tween Senator Lodge, as its chair-
man, and the White House and state
department, is planned.BAYONETS OF
"RED" ARMYStill Upholding Authority of the
Russian Soviet.LOYALTY OF TROOPS
REPORTED WAVERINGExtensive Fires Break Out in
Petrograd.All Soviet Officials at Pskoff Are
Slain by Rebels—"Red" Car-
rison at Pskoff Is in Revolt.
The Revolution Spreads.Berlin, March 7.—Petrograd, the
chief scene of the counter-revolu-
tionary disorders in Russia, was calm
Sunday night, with Commissary Zino-
viev, of the soviet government, in
complete control, according to a de-
patch addressed to a neutral, this af-
ternoon. Martial law is still in effect
at Petrograd. The insurgent lead-
er, Krasnov, still holds Kronstadt.The soviet despatch describes the
situation as not so dangerous as it is
complicated. Four distinct counter-
revolutionary groups are opposing
Lenine and Trotsky: [1] Kronstadt
sailors, under Krasnov; [2] Petro-
grad Socialists, who are demanding a
democracy; [3] Moscow anarchists,
who are seeking control by the law-
less element and [4] the anti-Bol-
shevik peasants' movement.Still in Authority.
London, March 7.—The bayonets
of the "Red" army were still uphold-
ing the authority of the Russian
Soviet against the anti-Bolshevik in-
surgents, but the loyalty of the
troops was reported to be wavering,
according to an Exchange Telegraph
Despatch from Helsinki, today.This Despatch quoted a Finnish
courier, who had just arrived from
Petrograd, as saying: "Extensive
fires have broken out in Petrograd.
The loyalty of the soviet troops is
wavering. In Moscow, armored cars
are patrolling the streets and are us-
ing artillery against the striking
workmen."All soviet officials at Pskoff were
killed by rebels.Cossacks, under General Dutov,
are in the Orenburg district of the
Ural mountains, trying to cut off
Bolshevik communication with Tur-
kistan, said a Riga despatch to the
Daily Express.The last food train from Siberia
came through two weeks ago.
The "Red" garrison at Pskoff
mutilated Sunday. The "Red" guards
and workmen defeated the special
Communist troops that had been
sent against them. They arrested
and killed all the local commissaries
and other Bolshevik officials.The soviet is sending large forces
of troops from Moscow to Petrograd,
said a Central News despatch from
Helsinki, this afternoon. The
rebels at Petrograd are preparing to
give the soldiers a friendly welcome
in hope of winning them over.The workers at Moscow, at a mass-meet-
ing, attacked the soviet, ridiculing
Moscow's claim that the counter-revo-
lution was started by the entente.
Official advice received here said
that the fortress of Kronstadt was
still in possession of the Whites.Sunday night, Leon Trotsky was re-
ported to have taken the field at the
head of an army to put down the up-
rising. Trotsky was said to have
concentrated a large force of troops
at Gatchina, for operations against
the northern rebels. The anti-Bol-
sheviks have seized Chernigov, near
Kiev.[BY LOUISE BRYANT.]

Moscow, March 7.—(By way of
Reval, March 6.)—Nicolai Lenine,
in a speech to the Moscow soviet,
today, upon the disorders which
have been reported from various
quarters, discounted them and at-
tributed them to "the shortage of
fuel.""In the recent demonstrations at
Petrograd and Moscow, there was
actually only one provocative shot
fired, which killed a Communist,"
said Lenine."These are unfortunate days, but
we have lived through even far
greater difficulties in the past. We
are well acquainted with our enemy.
We expect to beat him, finally, in
the spring."Lenine furnished statistics show-
ing that the food ration had dropped
from 200 wagons every five days
to twenty, but he said that the "sit-
uation was well in hand."It is reported here that General
Kozlovsky, of the Imperial Russian
regime, with a few hundred fol-
lowers, is causing some disturbances
as Kronstadt. However, no definite
action has been taken.

PANAMA MAY

Equipped.SMALL ARMY IS NOW
BEING ORGANIZEDThe Warning Note of Secretary
Hughes Answered.Panama Unwilling To Abide by
the Decision of Chief Justice
White in the Territorial
Dispute with Costa Rica.Balboa, Panama, March 7.—Presi-
dent Porras, of Panama, announced
that he would refer Secretary of
State Hughes' warning note on the
Panama-Costa Rica clash to the
Panama national assembly, this af-
ternoon. The president said that he
would abide by any decision reached
by the national assembly. He ex-
pressed regret that Secretary Hughes
made Chief Justice White's terri-
torial award the basis of mediation,
pointing out that Panama had re-
jected the White decision seven years
ago. It was understood that the na-
tional assembly would reject the
American offer of mediation, on the
ground that the constitution of the
republic recognized only the Loubet
award and not the award of Chief
Justice White.Quantities of arms and ammuni-
tion are being received in Panama
and the government will soon have
about 500 well-equipped soldiers at
the Siquiera river, the scene of the
disputed territory. There was no
further word of hostilities, but there
were indications that the Panaman-
ians might attack when their forces were
strengthened.President Porras said that Panama
would accept any arbitration on the
basis of the Loubet award, but would
continue to reject mediation along
the lines of the White award. He
suggested that the league of nations
use its offices to end the dispute, or
that the United States and two South
American powers join in bringing
about an understanding between
Panama and Costa Rica.Makes Demand.
Washington, March 7.—Secretary
of State Hughes has demanded
cessation of hostilities between Costa
Rica and Panama in identical notes
which have been dispatched to these
two Central American countries.This action was the first of the
Harding administration in the realm
of foreign affairs, and was said to
have been based on the grounds of
broad expediency, as the dispute be-
tween the Central American republics
involved American interests in the
Panama canal zone.A peaceful solution of the dispute
over the territory of Coto on the
basis of the White award is under-
stood to have been suggested. The
note did not suggest mediation by
the United States, but was under-
stood to have conveyed the impres-
sion that this country stood ready
to enforce, if necessary, a peaceful
solution.No further orders for the use
of naval forces to enforce compliance
with the American demands were
made public by the navy depart-
ment. Two vessels received orders
to make all speed to regions off the
Atlantic coast of Panama, prepared
to intervene if such action became
necessary to protect American life
and property. A large area in the
zone of hostilities is dotted with bar-
nacle plantations of the United
Fruit company, an American com-
pany.Octavio Beeche, the Costa Rican
minister of government, who is in
Washington on a special mission,
denied reports that Panama in one
encounter had opposed Costa Rica
with 1,500 armed men.Discussing the terms of the Amer-
ican note, which he said had been
read to him by state department of-
ficials before being sent, Mr. Beeche
said his government would consent
to arbitration of her differences
with her neighbor, using the arbit-
ral decision of Chief Justice White
as a basis of negotiations. The note
did not demand the acceptance of
this decision, he said.To Be Transferred.
Columbus, March 7.—Suffering
from shell shock, sustained overseas,
Ralph Richardson, Summit county
life prisoner, is to be transferred to
the Lima state hospital, from the
penitentiary. Prison Warden
Thomas, who recommended the
transfer, stated that, because of his
mental condition, Richardson is
classed as a dangerous prisoner.Kiev Is Occupied.
Paris, March 7.—Ukrainian in-
surgents have occupied Kiev, capital
of Ukraine, driving out the Bol-
shevik defenders, according to an an-
nouncement made today by the fi-
nancial agency.

BOMB EXPLOSION
IN DETROIT TODAYDetroit, March 7.—Several
hundred men, women and
children were thrown into a
pool, early today, when a
bomb exploded, blowing down
several buildings on Hastings
street. All of the occupants
escaped injured. Police have
no explanation for the explo-
sion.CREATED CARDINAL
AT VATICAN TODAYRome, March 7.—The most
Rev. Donato J. Dougherty,
archbishop of Philadelphia, was
created a cardinal at a con-
sistory at the Vatican, today.
Archbishop Dougherty was the
only American to be elevated
to the cardinalate. The others
were Europeans. There were
no Italians among them.ERIE COMPANY

IS DECLARED ILLEGALIncrease in Hours of Labor Is
Law Violation.Legally the Board Decision Is
Worthless as Cummins-Esch
Law Does Not Provide Pen-
alty To Be Enforced.Chicago, March 7.—The Erie rail-
road violated the Cummins-Esch law,
under which the railroads were re-
turned to private ownership, when it
announced a decrease in wages and
an increase in the hours of labor of
its employees, the United States rail-
way labor board held in a decision
announced here today.The decision is expected to have a
moral, if not a legal, effect on the
conference set for tomorrow, be-
tween numerous eastern railroads
and their maintenance-of-way em-
ployees. Legally, it is admitted, how-
ever, the board's decision is prac-
tically worthless, although holding
the Erie has ignored its decision,
and violated the transportation act,
it is without authority to enforce any
penalty.The Erie's case first came before
the board, early in February, when
the United Brotherhood of Mainte-
nance-of-Way Employees & Railway
Shop Laborers and the American
Train Dispatchers' association filed a
protest against a retrenchment or-
der, of February 1, which cut the
wages of unskilled labor twenty-
seven per cent, and deducted one
day's pay a week from the salaries
of all employees paid on a monthly
basis. The board ordered a hearing,
in a ruling issued February 12,
meaningly directing the Erie to con-
fer with its employees and to make
no change in rates of pay or work-
ing hours or conditions, except by
an agreement with employees.When the case was heard, Febru-
ary 23, however, the employees charged
violation of the transportation act
in the road's setting aside of deci-
sion, No. 2, of the board, which was
the wage award of July 29, 1920.Today's decision cites six viola-
tions of the transportation act by the
Erie and adds that "this decision is
not to be construed as a holding that
the carrier has not violated decision,
No. 2, in other respects."Disposition of the question of
whether beer may be prescribed for
medical purposes by physicians, pro-
hibition officials said, also will come
up for early consideration by the
new administration. An opinion is
understood to have been prepared
for the treasury by the department
of justice which would permit the
use of malt liquors for medical pur-
poses similarly with wine or vinous
liquors as contrasted with the re-
strictions of the prohibition act on
whisky or spirituous liquors. Use of
beer is opposed, however, by the
prohibition enforcement authorities.

proval of New Administration.
Limit on Manufacturers.Washington, March 7.—Regula-
tions further restricting distribution
of liquor—now confined to manu-
facturers and wholesale druggists—
have been drawn up by prohibition
leaders.The regulations, which await ap-
proval of the new administration,
would limit manufacturers to the
sale of their own products and for-
bid them to dispose of other manu-
facture containing alcohol. Such a
step in the opinion of prohibition
leaders, would greatly restrict the sale
of intoxicants and by cutting off the
slight latitude now allowed manu-
facturers, coupled with the elimi-
nation of the wholesale liquor dealer,
would practically limit the distribu-
tion of liquors to wholesale drug-
gists.Protests against the total elimi-
nation of the wholesale liquor deal-
ers, however, have been received by
the treasury from representatives of
the Catholic, Episcopal and Lutheran
denominations. These denomina-
tions have been accustomed, spokes-
men for the churches have explain-
ed, to purchase wine from certain
dealers who provided them with
a standard quality.With the elimination of the deal-
ers, churches declared, their source
of supply has been cut off. As a
remedy the prohibition authorities
have been asked to permit reputable
dealers who have been in business
more than three years, to continue
the distribution of sacramental
wines, as an exception to the general
regulations now in force. Early this
week a hearing on the matter is to
be held by the internal revenue bu-
reau.Beer Question.

AN AGREEMENT
ON AMOUNT DUEMoney To Be Paid England for
Transport Service.SUM REACHES TOTAL
OF \$105,000,000Amount Yet To Be Paid Is \$25-
000,000—Advance Payments
Made Reduce Sum.Washington, March 7.—Sir Er-
nest Raeburn, representing the Brit-
ish government, and Brigadier Gen-
eral W. D. Connor, representing the
United States, have just reached an
agreement as to the amount due
Great Britain from the war depart-
ment, in payment of claims for the
transportation of American soldiers
to France, on British vessels. It was
learned today.The amount is understood to be
in the neighborhood of \$25,000,000.
The original figure which covered
the transportation charges for more
than 1,000,000 American troops,
was approximately 105,000,000,
but was reduced to its present pro-
portions by a number of advance
payments.General Connor will render his
report to Secretary of War Weeks
immediately and the secretary is ex-
pected to turn the matter over to
the treasury department without de-
lay. Sir Ernest Raeburn, having
successfully concluded his mission,
is returning to London.War department funds for pay-
ment of this obligation are said to
be available until June 30, or the
end of the present fiscal year,
though information is lacking as to
whether payment will be made in
cash, or the amount charged off
against the \$5,000,000,000 which
Great Britain owes the United
States.SAN FRANCISCO
HOTEL DAMAGED
Hundreds of Guests Driven Out
by Fire.San Francisco, March 7.—Hun-
dreds of guests at the fashionable St.
Francis hotel were awakened, early
today, when fire in the soap factory
and laundry on the roof of the hotel
caused damage amounting to prob-
ably \$75,000 and brought all the
city's fire apparatus to the scene.There was no panic, but the dull
explosion which preceded the fire
awakened nearly all and the fright-
ened guests swarmed from their
rooms.The fire was under control in
about an hour.GERMANS FAIL

ject Proposals Made.OCCUPATION OF MORE
GERMAN TERRITORYAppears Sure as Conference
Nears End.Premier Briand, of France, Is
Held Responsible for Rupture.
Germans Prepare To Re-
turn to Berlin at Once.London, March 7.—Allied troops
will begin advancing into Germany,
from the Rhine, tomorrow, to com-
pel the Germans to accept and meet
the allied indemnity demand. Official
announcement was made at
6:30 o'clock, this evening, that or-
ders had been issued to the troops
to move, Tuesday.Will Proceed.
London, March 7.—Premier Lloyd
George announced this afternoon
when the indemnity conference re-
sumed, that the allies, being dis-
satisfied with the counter-proposals
made so far by the Germans, had
decided to put the peninsula into ef-
fect, at once, to compel German
obedience of the Allied reparations
decisions."I regret to state, on behalf of
the allies, that not only are the Ger-
man proposals inadequate, but de-
spite the interval since our last
meeting, there is not sufficient ad-
vance in the negotiations to justify
postponing the sanctions—penalties—
any longer," said the British
premier.Proposals Rejected.
London, March 7.—At 3 o'clock
this afternoon, the International
News Service was officially informed
that the verdict of the allied pre-
miers upon the German proposals
was "unqualified rejection."The Belgian cabinet at Brussels
is sending Minister of Defense De-
weke to London.The Central News, this afternoon,
quoted Dr. Simons as saying that
Germany would appeal to the league
of nations, against the penalties
which the allies have down up to
compel obedience.At 4 o'clock, Dr. Simons an-
nounced he was preparing another
statement for the allied premiers.
A member of the German delega-
tion, who was asked to forecast the
situation, said:"It is impossible to say what will
happen. But it is most probable the
German delegates will leave for Ber-
lin, tomorrow afternoon."The Germans expressed the view
that Premier Briand was responsi-
ble for the rupture.A. Honor Law, in a private speech
at the Constitutional club, said, it
was most unlikely that the allies
would accept the provisional indem-
nity terms proposed by Germany."The situation is very unsatis-
factory and most serious," said Mr.
Law.A special meeting of the cabinet
was called in the house of commons,
during the afternoon.Made in Rupture.
London, March 7.—The indemnity
conference has ended in a rupture
and the negotiations have been dis-
continued, according to an official
announcement by the French dele-
gates, this afternoon. The French
declared the Germans should be no-
tified that their counter-indemnity
proposals were not acceptable to the
allies.The Belgian delegation informed
that the conference had broken
up and that the allies will put the
sanctions into effect at once.Dr. Simons, German foreign min-
ister and head of the German dele-
gation, outlined the German case.He began by saying that he could
not accept the Paris indemnity de-
clarations of the allies in their entirety."Because of differences of opinion
and the difficulties of our own gov-
ernment, we have abandoned the
idea of presenting a new plan," said
the German foreign minister."Even the allies' experts can not
forecast the final total of the amount
Germany is being called upon to
pay. It would be impossible to fore-
cast the final total until five years
have elapsed. Therefore, we stand
ready to do what we can to meet
the Paris figures for a period of five
years. But if that is to be done,
we must have a loan. Upper Silesia
must remain German. The restric-
tions upon our world commerce
must be abolished."An Adjournment.
The conference adjourned at 1:30

Seventh-Day Adventist Church.
Evangelist Shellhas spoke to a capacity crowd at the Seventh-Day

Adventist church, Sunday. The subject was "The New Great Universal Empire." The evangelist said in part: "The next great universal empire will be the empire of our Lord Jesus Christ. Daniel, in interpreting the king's vision in Babylon, gave us the following outline: The vision was this: The first was a great image with head of gold, breast of silver, thighs of brass, and legs of iron and toes part iron and part clay. Daniel then gave the interpretation: The head of gold represented the Babylonian empire; the breast of silver, the Medo-Persian empire; the thighs of brass, the Greek empire; the legs of iron, the Roman empire; the toes part iron and part clay, represented Rome divided by the invading of the ten kingdoms from the north. Roman civilization passed into the nations of Europe. History confirms the fact that the break up of the Roman empire resulted in the various nations of Europe. Now the prophet says that after the break-up of the four the universal empire, which is Rome, there will be no more worldly empires. But in the days of these kings shall the God of heaven set up a kingdom. Charlemagne, Charles the fifth, Napoleon and William of Germany, tried to build universal empires, but failed. The prophecy was that the next universal kingdom after Rome would be the kingdom of God."

Calvary Church Revival.
The revival at Calvary church has not closed yet. It was thought probable that it would close yesterday, but the interest and the developments of yesterday make it imperative that the meeting continue at least a few nights. At yesterday's services nineteen folks came to the altar and sought Christ. Mr. and Mrs. George D. Reep, who have conducted the music of the campaign, must leave today for Akron, where they will begin in another meeting tonight. Their services here have added very much to the success of the campaign, and there is a hearty invitation to "come again."

The music tonight will be under the direction of the church choir leader, L. D. Zachman, and Herbert

Johnson, general secretary of the M. A. Patterson, West Virginia, will furnish some special music.

First United Brethren Church.
The services of the First United Brethren church were well attended yesterday. The devotional services were very spiritual and the music very inspiring, under the leadership of L. E. Walters. The pastor, Dr. L. E. Walters, delivered a very practical sermon in the morning on the subject, "Are You a Christian?" The following three questions were answered from a Scriptural standpoint: "What is to be a Christian?" "How May I Know That I Am a Christian?" "How May Other People Know That I Am a Christian?" In the evening the subject of the

sermon was, "Fruitless Abolutions." This sermon was based on the following text: "Can the Ethiopian change his skin, or the leopard his spots? Then may you also do good, that are accustomed to do evil." And, "If I wash myself in snow water, yet shalt thou plunge me in blood, and mine own clothes shall pollute me."

STORE NEWS

Monday, March 7.

A New Addition to an Old Business

Just Three Steps Within West Entrance

The selection in the day for the opening of our New Down-Stairs Store was, without a question, one of the worst we have had for months. This proved to be a blessing in disguise, inasmuch as we were able to give prompt sales service and everyone had the opportunity of examining our new merchandise. This would have been impossible had we had a nice day.

Seldom, in our thirty years of retail business, have we witnessed such a throng of buyers who showed such appreciation as was displayed in our New Down-Stairs Store.

The enthusiastic buyers proved that the folks of this community have wanted such a store—a store where good and inexpensive merchandise might be purchased.

We regret that it was impossible for a number of folks to visit this Ideal Store last Saturday, due to the rain, but we wish to impress on the mind of everyone that the same values and the quality of goods will be maintained at all times in this New City Store.

THE NEW GROCETERIA

An actual count shows that three thousand and seventeen people passed through our new Self-Serve Grocery during the opening day.

Several times certain sections in the Grocery became bare, but the forethought of having a large stock again brings out the fact that this New Addition to an Old Business will be given the same attention as the Up-Stairs in ever trying to serve the folks of this community.

CHURCH SOCIETIES

Seventh Meetings End.

Dr. O. A. Nowlin closed a most successful three-weeks revival meeting with three services Sunday at the First Presbyterian church. Dr. Nowlin preached at both the morning and evening service and in the afternoon addressed a large audience of men and women. The meetings will continue during this week with services Tuesday, Wednesday, Thursday and Friday evenings conducted by Dr. Linus L. Stock, Dr. Nowlin and G. A. Huggins, who conducted the singing during the revival, left for Mt. Vernon where they will conduct evangelistic services.

Dr. Huggins Preaches.

Dr. James A. Huggins, of Granville, filled the pulpit at the Trinity Baptist church, Sunday evening. The services were well attended considering the weather. Dr. Huggins delivered an excellent discourse on Christ as a man and a Savior. He told of many of the acts of Christ, some of His acts of suffering and of His death on the cross. The speaker also brought out the fact that many have not seen the face of Christ and are losing the opportunity to enjoy the blessings and life everlasting that come to those who give themselves to His keeping.

National Field Worker Speaks.

Miss Frances Halliwell, of California, national field secretary of the Woman's Home Missionary society of the M. E. church, spoke to the young women's work in the mission field before the Queen Esther society at the Epworth M. E. church Saturday afternoon. A number of visitors were in attendance from Delaware and Richmond.

The Queen Esther society of the Epworth M. E. church has been placed on the National Honor roll, the action being taken last October at the convention, which was held at St. Paul. Miss Halliwell will speak before the Woman's Missionary society of 10th Wesley M. E. church Thursday afternoon and to the Queen Esther society of that church Thursday evening.

Emanuel Baptist Revival.

Evangelistic services began at the Emanuel Baptist church, Sunday morning, the evangelist being Rev. G. J. Cooper, of Lorain, who spoke on "The Path of the Just." His evening sermon was a continuation of his morning sermon. Services will be held each evening this week at 7:30 o'clock. The attention was at the Bible School Sunday morning was 141, which was unusually large. The next church bell was rung for the first time

Sunday and the work on the new addition is progressing very well.

Sunday afternoon the pastor, Rev. James G. Board, preached at the Five Points church at Owens, taking for his theme "Cedars of Lebanon."

Bethel M. E. Church Revival.

Revival services are in progress at the Bethel M. E. church, with Rev. B. Davis, of Columbus, assisting the pastor, Rev. Robert T. Skelton. The singing is in charge of Miss Nellie Hamilton, also of Columbus. The meetings are being well attended.

At Mt. Memorial Church.

Rev. F. E. Hawes preached at both the morning and evening services Sunday at Mt. Memorial Baptist church. The services at the Sunday-school well overstepped the 400 mark, and the church services were also well attended.

Rev. G. A. Huggins, a returned missionary, will speak at the morning service next Sunday, and Dr. Booth Kinney, formerly an Indian worker in Colorado, will preach in

HONEY OF SPRING IS MINGLED WITH RAIN

Sort Out the Garden Stuff for Perennial Derby.

Let a drop of water make a
wonderful splash when they keep up a
staggering performance for hours at
a stretch.

Saturday according to Official
Weather Observer E. H. Rader, was
more than an inch of rain fell.
It was a pretty good water for
the day. Then Sunday the fall
amounted to over two hundredths of
an inch. That wasn't so bad. But
the two days together made the
counters scream swell and throw
just like they would jump out of
the beds and staring everybody
by making believe another flood was
on the making.

Since the deluge of 1917 every-
body seems to be hoarse of March
rains. Now a little bit of rain in
March goes a long way. Earth
bound folk would rather see more
sunshine and less rain in March.

Still Marionites haven't any Alex-
ander. Didn't March make a star
entry with all the glories of warm sun-
shine? And isn't the March all ver-
benedict with the songs of birds and
the sweet breath of spring?

Pick up your spade and locate your
hole, get down your rake and—well,
get ready to go.

Spring gardening will soon be the
great outdoor sport, judging from
the brand of weather that Marion
has been enjoying for weeks.

AEROPLANE USED IN GETTING THESE PICTURES

How Star Gets Inauguration Views the Following Day.

It may prove interesting to Star
readers to understand how the Star
was able to print in its issue of Sat-
urday actual scenes from the inaugu-
ration.

The Star was able to do so
through the splendid efficiency of
the Newspaper Enterprise Associa-
tion. The cameramen of that or-
ganization took the pictures in
Washington about 1:15 Friday af-
ternoon. The negatives were quick-
ly developed and delivered to an
aeroplane. The aeroplane brought
the pictures to Cleveland, where
they were rephotographed and zinc
etchings made from the new films.
From these zinc etchings, matrices
were made, and these matrices, to-
gether with proofs of the texts under
each of the pictures, were delivered
to a party aboard the Big Four
train from Cleveland to Cincinnati.
At Gallon, a Star man was waiting
and received them as the train went
through. He brought them as quick-
ly as the awful condition of the
roads would permit to Marion by
auto, and from these mats the cuts
were cast in this office.

It was the first time in the his-
tory of the country that pictures of
an inauguration were so handled.

JAMES S. RAYL DIES IN AUTO NEAR HOME

Taken by Heart Disease as
Daughter Stops Machine.

PROMINENT MEMBER
OF TRINITY CHURCH

Rayl Class Members Will Attend
Funeral Wednesday in Body.
A Good Man.

James S. Rayl, Marion's well-known manufacturer of dairy supplies, died very suddenly from organic heart trouble Saturday afternoon at 3:30 o'clock. His death occurred just as his daughter, Miss Zona Rayl, who was taking him home from his place of business on Canby street, stopped the automobile in front of the Rayl residence, at No. 224 Pearl street.

While working in the machine room of his factory, Mr. Rayl suffered an attack of what was thought to be indigestion, and while his daughter, who is bookkeeper at the factory, went to get the machine to take him home, he changed from his working clothes. He spoke twice on the way home and it was not until they had reached the residence that Miss Rayl realized that her father was dying.

Sixty-Six Years Old.
Mr. Rayl was sixty-six years of age and prominent in church circles, having been a very active member of the Trinity Baptist church for years. He was a senior deacon of the church, and for the past six years had been the teacher of the Rayl Sunday-school class, formerly taught by Mrs. Rayl for eight years. Dr. T. H. McAfee, Sunday, in speaking of Mr. Rayl's death before his congregation, said that no one could ever take Mr. Rayl's place in the church or do his work as he had done it. Mr. Rayl was one of the leading factors in starting the Fite Memorial Baptist church.

Mr. Rayl was a man of sterling character, kind, and thoughtful of his fellowmen and he was loved and

respected by all who knew him. From the Hardings.
A telegram of condolence has been received by the family from President Nis Warren G. Harding. Mr. Rayl was born August 1, 1854, at the old Rayl homestead at Rayl's corner on the Green camp road, a son of John and Margaret Rayl, of Marion county. After fifteen years passed on the farm he came to Marion, where he had since resided. He had been engaged in the manufacture of milk bottles here for the past twenty years and was the inventor and maker of the machine which he used in his business. He formerly conducted his business in the rear of his home property on Pearl street, but later moved to Canby street. The family will continue to conduct the business.

December 26, 1876, Mr. Rayl was married to Miss Mary C. Rickerson in this city, and she survived with their two daughters, Miss Zona Rayl at home, and Mrs. J. D. Conyers, of Globe, Arizona. One grandson, Rayl B. Conyers, two brothers and a sister, Thomas L. Rayl, of Marion; W. P. Rayl, of Thompkinsville, Florida; and Mrs. A. B. Morris, of Ft. Wayne, also survive.

Mrs. Conyers and son were here on a visit when Mr. Rayl died. Mrs. Morris and her grandson, Charles Conyers, have arrived here and other relatives are expected.

Funeral Wednesday.
Friends can view the remains at the Schaeffer undertaking parlors until Tuesday evening. They will be taken to the residence Wednesday morning and the funeral will be held Wednesday afternoon at 2:30 o'clock at the Trinity Baptist church.

Dr. T. H. McAfee will conduct the services and burial will be made in the Marion cemetery. Short services will be held at the home at 2 o'clock. The members of the Rayl class

will meet at the church at 2 o'clock Sunday to attend the services. A body of the deacons of the church will act as pallbearers.

In Honor of Birthday.

Mrs. L. H. Kramer, of No. 602 Cherry street, entertained the members of the Just Enough club and a number of friends at a surprise party Friday evening in celebration of the fourteenth birthday anniversary of her daughter, Ruby Kramer. A supper was served, covers being laid for Misses Lois Kiddle, Geneva Roberts, Louella Gravenna, Hazel Pius, Thula Lattimore, Thelma Johnson, Mildred Kitch, Ruth Henry, Elizabeth Keenan, Helen Kennedy, Lois Snodgrass, Paul Maynard, Boris McDonald and Helen Stritt. In a heart contest, first award was given to Miss Elizabeth Keenan and Miss Thelma Johnson was completed.

Canby Lodge, No. 51, dates March 9, Jolly's orchestra, 56-57.

Celebrates Birthday.

Carl Allen celebrated his birthday anniversary Friday evening by entertaining a number of Boy Scouts at his home on Silver street. Games and contests were enjoyed, the awards in the contests being given to James Snyder, Arthur Irvin, Merle Morrison and George Butler. A supper was served by the host's mother, Mrs. E. H. Allen, who was assisted by Mrs. Fred H. Morrison and Miss Ruth Morrison. The guests were Charles Burke, George Butler, Guy

A. C. HILLMAN, of Indiana, who says Tanlac is unquestionably the greatest medicine he ever heard of. "It put me back on my feet after I had practically given up all hope of ever being well again," he states.

"Tanlac is unquestionably the greatest medicine I ever heard of. After I had practically given up all hope of ever being well again, it put me right back on my feet, and I am feeling one hundred per cent better than I have for twenty years. I have gained ten pounds in weight, and every one says I don't look like the same person."

"For several months I suffered from a serious stomach disorder. I had no appetite and couldn't eat enough to keep up my strength. Very often when I sat down to a meal I would leave the table without touching anything scarcely, as I could not bear the sight of food, much less eat it."

"I was losing in weight and my friends would often ask me: 'What is wrong with you? Why are you looking so thin?'"

"I also suffered terribly with pains across the small of my back and over my kidneys. It was almost impossible for me to get out of bed in the morning, as my back would pain me so I would almost fall over when I would first stand up in the morning. At night my back pained me so it was almost impossible for me to sleep. I would lie first on one side and then on the other, and would roll and toss all night long. I had almost given up and thought maybe my age was against me, as I had taken so many different kinds of medicine without results."

"The first bottle of Tanlac didn't help me much, but I made up my mind to give it a fair trial. After starting on the second bottle I began to feel better. My appetite returned and it just looked like I could hardly wait for meal time to come. In fact, I was hungry all the time."

"My back and kidneys don't bother me any more and I can sleep like a log now. Tanlac has just simply made a new man of me, any one living in this county can tell you the same thing, as everybody knows me and knows the shape I was in."

"The above statement was made recently by A. C. Hillman, of Ligonier, Ind. Mr. Hillman has lived in Noble County all his life and is a well-known and highly-respected citizen of that county."

KNIGHTS OF COLUMBUS INITIATE SIXTY-FOUR

Number from Bucyrus, Kenton, Upper Sandusky and Lima.

CANDIDATES FIRST RECEIVE COMMUNION

Initiatory Work Conducted in Elks' Hall, Followed by Banquet in Schwinger's Hall.

Sixty-four candidates, including a number from Bucyrus, Kenton, Upper Sandusky, and Lima, were initiated at an all-day session of the Marion Council, No. 671, Knights of Columbus, Sunday, in the Elks' lodge room.

Members and candidates received communion at St. Mary's Catholic church Sunday morning, and the first degree was conferred by the local degree team at 10 o'clock. At 1 o'clock in the afternoon the second degree was given by the Marion team, and this was followed by conferring the third degree by William Hays, of Delaware, district deputy, and his staff.

At 7 o'clock Sunday evening a banquet was served to about 100 knights in Schwinger's hall, on north Prospect street. An elaborate meal was served by the Catholic Ladies of Columbus, and a speaking program followed with A. C. Edmondson as toastmaster. Responses were made by Rev. T. J. Kearns, Rev. Edward A. McGinty, District Deputy Hays, of Delaware; William Krupp, of Fremont; and a number of Marion knights.

Included in the list of candidates were two from Bucyrus, five from Upper Sandusky, one from Kenton, and one from Lima. Fifty-five were from Marion, and they will attend their first meeting of the council Tuesday evening. Arrangements are already under way for the initiation of another class in the fall, probably in September.

FIFTIETH ANNIVERSARY OF GOODRICH

"Best in the Long Run" is more than a phrase—it is a principle inseparably connected with the name of Goodrich. It typifies the ideal of service that governs the manufacture of every Goodrich product.

THE REAL MEANING OF "BEST IN THE LONG RUN"

THE MOTTO of Goodrich, from the very first day the company started—fifty years ago—was, "Let us make goods destined for service." The thought of service dominated the work of the organization, for it was rightly realized that only upon the service the products of the company rendered to their users could an enduring concern be built.

Eventually this principle was crystallized into the five words which are now so well and widely known as the Goodrich slogan—"Best in the Long Run." It is almost as old as the history of tires for it grew out of the performance of Goodrich Tires on bicycles. And it grew into the dependability of Goodrich rubber products of all kinds.

It is not just a catch phrase. It is a plain statement of fact. It is really a mirroring of the confidence placed in Goodrich products by their users. In five words it expresses the ideals, the policies, the principles of the institution. It means the "long run" of good faith and good will—the steady building up of confidence in the minds of customers—which is the greatest asset a manufacturer can have.

Quality and service—that is how Goodrich translates this slogan into terms of longest average wear, utmost dependability and known value in all that it produces. It must be "Best in the Long Run."

FOR BURNING ECZEMA

Apply Zemo, the Clean, Antiseptic Liquid—Easy to Use—Does Not Stain

Greasy salves and ointments should not be applied if good clear skin is wanted. From any drugist for 25c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable, and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

In skin troubles, ordinary soaps are irritating and liable to aggravate the condition. Use Zemo soap. It is antiseptic, soothing and hastens the process of healing.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—do a much better job, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lazy" and "heavy." They "clear" clouded brain and "perk up" the spirits. Use and see.

WHEN MEALS HIT BACK

"Pape's Diapiesin" instantly Ends Indigestion, Sourness, Stomach Acidity

Are lumps of undigested food causing you pain? Is your stomach cold, gassy, sour, or have you intolerance heartburn? Then take Pape's Diapiesin.

Just as soon as you eat a tablet or two of Pape's Diapiesin all that dyspepsia, indigestion and stomach distress caused by acidity ends. These pleasant, harmless tablets of Pape's Diapiesin never fail to make sick upset stomachs feel fine at once, and they cost very little at drug stores.—Adv.

"No stories tonight, Marion," her mother warned. "We all have to get up too early."

"Who are you to be interfering between my lamb and me?" Mrs. Durkee demanded. "If you don't behave I'd keep her out here and not let her go back to New York at all. I'll promise only one story to-night, though, Marion, but just wait till the next time you come down; a book won't hold 'em! And now let me get out the linen, folks, for

"Yes" I'll be his name: Hicksville his station. But

EVENING—25c-10c

CITY IN BRIEF

One Building Permit.—A building permit was issued Saturday after-
noon to Fred Artopoulos for a resi-
dence addition on Chicago avenue at
an estimated cost of \$150.

G. O. P. Club.—The members of
the G. O. P. club were entertained
Saturday afternoon at the home of
Miss Leola Wells, of west Center
street. The little hostess' mother,
Mrs. J. S. Wells, entertained the
guests at a theater party, after which
a social hour was enjoyed.

Interests Put to Work.—William
Mason, Edward Johnson, William
David and James Jackson, all col-
ored, and Quincy Adams, were ar-
rested in the Erie yards Sunday noon
on charges of loitering. When arrested
before the mayor they were each
fined five dollars. As there was not
a cent in the crowd, they were
sentenced to work out fines of five
dollars each on the streets.

Shop Night.—Shop night was en-
joyed by the employees of the Mar-
ion Steam Shovel company, Satur-

day evening, at the Y. M. C. A.
building. A splendid program of in-
door athletics had been arranged,
consisting of boxing, tug-of-war,
boxing, billiard and pool tourna-
ments and indoor baseball. There
was a good attendance.

Plans for Good Friday.—Evan-
gelism was the subject of a discus-
sion by Rev. Roy L. Brown, evangeli-
st, at the Central Christian church,
this morning, at the meeting of the
Ministerial association, in the Y. M.
C. A. building. There was a good
attendance. Plans for the Good
Friday union services were com-
pleted and it was announced that
the union revival services to be held
next fall would be taken up sepa-
rately by the boards of the different
churches.

Beats Billiard Ball.—To
grow hair by the method adopted by
George Frye is an expensive propo-
sition. One treatment cost Frye
\$10 in the mayor's court, this morn-
ing. Frye was arrested Saturday
evening for being intoxicated. On
pleading guilty this morning, he told

the mayor he purchased the hair
treatment several weeks ago and took
an overdose inwardly because he
was caught in the act. Frye had a
good crop of thick hair.

Practically Whole Town Involved.—
T. Z. Hamilton and John Vining,
of Owens, appeared before Mayor T.
L. Andrews, Saturday afternoon, to
answer affidavits filed against them
by W. L. Price, an officer of the
Hocking Valley, charging them with
the theft of coal from the company.
They entered pleas of guilty and
were each fined \$10 and costs and
ordered to pay for the coal. They
settled and were released. Twelve
residents of the place paid fines Fri-
day and Saturday, the officers of
the company being determined to
break up the practice.

Entertains at Dinner.—Mr. and
Mrs. S. L. Davis entertained a num-
ber of friends at dinner Saturday
evening at their home, No. 685 Wood
street. The table was attractively
decorated in a color scheme of pink
and green. The favors were thin
cocoa baskets. Covers were laid for

Mr. and Mrs. Henry Ebert, Mr. and
Mrs. Edward Barnhill and daughter,
Mrs. and Mr. Earl Schnable,
Mr. and Mrs. Arthur Spell, Mr. and
Mrs. Albert Mickle, Mr. and Mrs.
McGraw, Miss Ruth Davis, Miss
Dumora Davis, Mr. Frank Steffen and
Mr. Hoss Morton. The evening was
passed socially.

Good Roads Speaker.—C. H. Dun-
can, of Columbus, special counsel of
the Ohio Good Roads federation, will
address the weekly noon luncheon
of the chamber of commerce in the
Y. M. C. A. building, Wednesday.
Visitors from Lima, Kenton and
Caledonia will be guests of the cham-
ber of commerce at the luncheon,
and in the afternoon a good roads
conference will be held in the of-
fices of the chamber of commerce.
The discussion will have to do with
improving the highway from Marion
through Kenton to Lima. This even-
ing the board of directors of the
chamber of commerce will meet and
receive a report of the sewer com-
mittee of the organization and take
up the question of representation at
the annual meeting of the chamber
of commerce of the United States at
Atlantic City next month.
